Readers p.o.v~

You padded out into the faint sunlight drifting through the trees in the Shadow clan camp."Ahhhh,"you sighed having a long stretch."(y,n)!"You straightened up at the sound of your name.Tawnypelt bounded up to you."Hi,(y,n),would you like to come hunting with me,Rowanclaw says he doesn't need us for patrol.""sure"you replied to the friendly tortoishell she-cat.Tawnypelt purred and started to make her way toward the entrance of the barrier.You both passed snowbird on the way,with Tigerheart and Dawnpelt who were all on patrol.When you and Tawnypelt made it out into the forest,you noticed something.A swath of white fur was outlined against the clump of hazel bushes where Russetfur was burried.You stopped to try to pear in the bushes,but Tawnypelt continued on.When she realized you were no longer following her, she returned to your side."What in Starclan's name are you doing?!"she asked,her tail tip twitching."I thought we were hunting,not staring at bushes."No,"you replied to the senior warrior."Look more closely"Mumbling crossly,the she-cat crouched down and peered through the Bush."Oh"she sighed, straightening up."It's just Blackstar.You know how he's been since Russetfur died.Always visiting her grave."You nodded but kept looking at Blackstar."Well"Tawnypelt mewed"I'm going hunting.If you want to come,I'll be by the lake."you nodded and with that she trotted away towards the lake.You sighed and tried to get a closer look at Blackstar.He was sitting about 3tail-lengths away from the Bush YOU were crouched behind.His face was twisted with pain,guilt,and hatred. You couldn't help but notice how powerful his shoulders looked under his white pelt.How long claws came out of his black paws.*ohh Blackstar you are just amazing.*You jumped quickly and turned away and ran towards the lake.*What was I thinking?!?I don't love Blackstar!Sometimes I don't even like him!* But when you met up again with Tawnypelt,you could not help thinking if maybe, just

maybe,what you were thinking was true.

Blackstar was an excellent leader,however. He could be nice at times too.

Part 2

Part 2 yay~Enjoy~＜3:)

Your pov.~

"ahhh,"you sighed arching your back in a long stretch.The shadow clan camp was bustling with eager warriors and apprentices doing their share to help the clan.You eyed the fresh kill pile.It was a large pile in spite of it being very close to leafbare.Toadfoot and olivenose were beside it and Toadfoot saw you eyeing the pile of plump animals."Have a piece"He meowed pushing a thrush into your paws."Thanks"you mellowed gratefully,gulping down the thrush in large gulps.Toadfoot purred."No problem"Although you hadn't finished your duties for the day,you were gratefully for the thrush.As you padded away,you spotted Blackstar whisking out of his den and up the branch above his den where he held the clan meetings.He had a scowl on his face and was murmuring under his breath.Soon after you saw Rowanclaw emerge from Blackstars den a familiar scowl on his face as well."Please gather beneath the tree branch for a clan meeting!!"blackstars sharp new rang out across the whole camp,and probably into the pine forest as well.*Great starclan!He must be angry.*You padded up below the branch where the big white Tom was sitting.You were the only cat that had gathered so far,because the rest of the clan was out patrolling,and the elders were just being roused from there nests,and Rowanclaw was speaking briskly to Toadfoot and Olivenose by the fresh kill pile.You gave your chest fur a few quick licks,then glanced up at Blackstar out of the corner of your eye.His white fur was on end and his blue eyes blazed.You couldn't help letting out an amused purr at the sight of him,his tail streaming down from the branch twitching.He saw you laughing and glared down at you."what are *you* laughing about?"he snapped leaning down towards you to where the branch bent down toward the ground.You padded confidently up to meet his gaze.You halted about a mouse length away from him."oh"you replied innocently"I'm not laughing at anything but how ridiculous you look on that branch."Blackstars

eyes flawed in pure anger."Now you listen here,(y-n),"he snapped hurrying towards the end of the branch."just wait until I get my claws-" at that momment the branch broke in half.Blackstar let out a goal of surprise as he began to fall.Your eyes widened and your paws were rooted to the ground.The branch landed in front of you,but blackstar landed on top of you.Your heart began to beat faster as his paws got tangled around your neck.He held on to you as you both rolled.His eyes locked on yours.His eyes were no longer filled with anger ,but instead with shock,and was that a twinge of enjoyment.?Y'all both stopped adruptly with a "ooof"You played splayed out on the ground with Blackstar hovering over you."wow"you breathed.Blackstar blinked and as the clan began to gather around asking if you and him were ok,he got off of you."I'm fine,.my pelts just ruffled."Blackstar mellowed"I'll make my announcement tommorow."he added waving his tail as he headed towards his den.You watched him disappear inside,as the clan began to break apart.You began to lick your fur back into place as Tawnypelt hurried up to you."Pugh,"she mellowed,lashing her tail."One certain cat seems to be mooning over Blackstar!"You turned your indignant gaze toward her,as your pelt grew hot."No!I was just there when he fell and he happened to land on me,that's all!""yes,"Tawnypelt replied."But I saw the way you two looked at each other,(y-n),"You both just sat there a momment."well,"Tawnypelt mewed,standing "I'm going to rest,see you later""Bye Tawnypelt"you replied waving your tail.When she padded away you began to think of your eventful day.*It felt so good to be in blackstars paws.But theres only one question.Does he feel the same way?*

Part 3

Blackstar's pov~

The moon shone bright overhead as Blackstar and the rest of the Shadow clan patrol arrived at the tree bridge.It was the full moon and also gathering time.Blackstar sniffed.*seems like we're the last to arrive.hmmph!*Blackstar beckoned with his tail for his warriors to cross the tree bridge.First,Rowanclaw crossed,with Tawnypelt,Dawnpelt,and Tigerheart close behind.Snowbird followed,with Cedarheart behind her.After them,was olivenose,Owlclaw,Littlecloud,Shrewfoot,Applefur,Toadfoot,and finally,(y,n).She stopped and stared at me fir a momment.Her beautiful,(e,col) eyes stared into mine.*wait!I can't like her!!what am I thinking.*Blackstar jerked out of the gaze."Go!"Blackstar growled "before we're late"(y,n) stared at Blackstar for a momment and then sadness glistened in her eyes."Fine"she whispered,"I'll go.I understand how you want to be."With that,the she-cat leaped onto the bridge and ran across.Blackstar swallowed.*what have I done?*for the first time in his life,Blackstar felt a new feeling inside.Love.He shook his head and bounded into the island.*and I know she loves me too.*

Your pov~

You thundered onto the island your claws scrapping the ground as you skid to a stop.Cats from every clan were still mingling and talking.You looked over and spotted Ivypool of Thunder clan looking at you."where's Blackstar?"She asked,just as Toadfoot appeared at your side."Blackstar?"you mumbled,thinking of how mean he had been."He'll be here in a momment I'm sure."Ivypool's face lit up in amusement,and she looked like she wanted to say more,but Toadfoot gave her a glance indicating fir her to shut up.Ivypool stood ,her fur ruffled."Well,I hope the

gathering will begin soon,I'm going to sit with Dovewing"Toadfoot gave her a curt nod,and the silver she-cat bounded away."thanks,Toadfoot,"you meowed."Toadfoot looked at you and let out a purr,"No problem,(y,n)"'After a momment,Blackstar emerged from the clump of bushes that led out to the tree bridge,with the usual scowl on his face he always wore at gatherings.Toadfoot must have noticed you looking at Blackstar longingly,because he leaned in and whispered in your ear,"Don't let him ruffle your fur,You know how Blackstar is."Blackstar jumped onto the lowest limb,and it swung for a momment,while his tail streamed down.Firestar gave him a satisfied nod,"Let the gathering begin!"

Le Time Skip

your pov~

After the gathering,Shadow clan was of course the last to leave.Toadfoot and the rest of shadow clan,all but you and Blackstar, left the island.Blackstar jumped off the tree and came towards you."I don't want to speak to you "you hissed before running toward the tree bridge.Blackstar followed."Wait"he hissed as you scrambled up the bark and continued to run."y,n),You'll fa-"Blackstar was cut off as you lost your footing and slid off the trunk.You let out a goal of surprise as your legs dangled above the swirling black water.you tried to grip your front claws into the bark,but began to slide."Blackstar HELP!!"you yowled before falling into the icy depths of the water.The water choked you as you went under.you couldn't swim at all.*I'm going to die,I'm going to die!You eventually went limp as you could struggle no mor*e,just as you felt something heaving you up by your scruff.You came up gasping for air.Then you saw your savior,It was Blackstar.His fur was soaked,but his feet were churning the water keeping you both afloat.He had his paws around your neck,and you had yours around his."Thank you Blackstar,"You sputtered Your heart began to pound as a small smile played at the tips of his lips and his blue eyes glowed in. the *moonlight.*He leaned towards you until your whiskers touched and whispered,"I would never let anything happen to you, (y,n),because I love you."Then he pressed his nose to yours.your eyes widened and your heart fluttered.*he really loves me!!!Blackstar*

*began turning in circles in the water.you let out a squeal of surprise and clung to him tighter.*Blackstar purred"Don't worry,back in the old forest,Shadow clan had an alliance with river clan,so I know how to swim."You. nodded and all you could think was I don't want this night to end.
